

Flagged Credit Status Ag Partners

Flagged Credit Status

SOILMAP will display the farm background in blue if the account details are marked as "N" in control for [no credit](#).

This does not stop any SOILMAP activities from happening and is nothing more than a visual display.

Using the below grower below as an example we see 3 farms with a blue background.

MAPS Code	Farm Name	IsActive
AVE33SW	GILMORE CITY	✓
CEP03NC	RAYS	✓
COP02NW	ANDERSONS	✓
DVR20SNE	ACROSS FROM	✓
DVR27SE	PRENDERGAST	✓
DVR33NSW	MILLERS	✓

MSH33S	EBERLES	✓
RSV31ENE	INTOWN	✓
RSV32NC	AIRPORT	✓

ADDITIONAL INFORMATION: Ran once a day (6:15am) any changes will not display until following day.

Let's look at the first field in the tree for that displays with a blue background. (AVE33SW, GILMORE CITY)

Here is the control file that is sent to SOILMAP, the flag of N at the end is what marks this as "No Credit" in SOILMAP

"0000358", " ", " ", "19091 560TH ST", "POCAHONTAS", "IA", "50574", "N"

The account details set in SOILMAP found under the farm level.

AccountID	CompanyID	SingleAccountID	AccountName
20062	104	68	

SingleAccountID	AS400AccountNumber	SingleAccountName	Address1	Address2	City	State	Zip
68	0000358			19091 560TH ST	POCAHONTAS	IA	50574

Let's look at the first field in the tree that displays with a white background. (CEP03NC, RAYS)

Here is the control file being sent to SOILMAP. The "Y" at the end is for has credit

"0050036", " ", " ", "54111 190TH AVE", "POCAHONTAS", "IA", "50574", "Y"

The account details set in SOILMAP found under the farm level. While both farms fall under the same DM, each farm has a different account number assigned.

AccountID	CompanyID	SingleAccountID	AccountName
20066	104	72	

SingleAccountID	AS400AccountNumber	SingleAccountName	Address1	Address2	City	State	Zip
72	0050036			54111 190TH A...	POCAHONTAS	IA	50574
